

Bluffton Hospital Auxiliary Hearts & Hands Campaign

*Thank you for your
contribution and continued
support – you are truly a gift
to our community*

Last year through your generous support of the Hearts and Hands Campaign, and Auxiliary fundraisers we were able to give \$15,000 for the Surgery/Emergency Room expansion at Bluffton Hospital.

The Auxiliary pledged \$75,000.00 over a five year period. Please consider giving a monetary donation toward this great project which will enhance our hospital's services for our local and surrounding communities. Your donation can be on behalf or in memory, honor or recognition of a loved one. For donations received now through May 31st, names of those to be recognized, will be displayed at the hospital until July 4th.

When giving, make check payable to Bluffton Hospital Auxiliary.

Please Complete and Return to:
Bluffton Hospital Auxiliary / 139 Garau Street / Bluffton, Oh 45817
If you have any questions, please call 419-369-2302 or 419-369-2326
Thank you for your generosity!!
Marty Lemley, Auxiliary President
