American Cancer Society's 2011 Relay For Life of Bluffton

Relay For Life of Bluffton Events are a good time for the community to come together in a fun, supportive, and educational manner. We celebrate the many survivors in our own community, and remember the ones who did not win their fights, but there is so much more that happens at the events! People of all ages come for fun, entertainment, games, food, and more. There is support and friendship, and cancer awareness information as well. It's a great time for a great cause!

*If you have supported us in the past we extend a heartfelt **THANK YOU!** If you haven't, please look over this brochure and consider being involved this year.*

*This year's theme is "**Birthdays for a Cure**", a birthday theme because the American Cancer Society is "The Official Sponsor of Birthdays".*

Committee and Team meetings will be held starting in January 2011.

April 19, our Kick-Off Rally will be held at The Centre from 4:00-7:00 p.m.

June 24-25, Relay For Life of Bluffton held at Bluffton University's Salzman Stadium 6pm Friday – Noon on Saturday.

The event runs through the night with activities and teams camping out.

Benefits to your company

American Cancer Society is the largest voluntary health agency in the world. It has invested over \$3.5 billion to cancer research since 1946.

Relay For Life opens the door to educate your company about programs of early detection and prevention of cancer.

Relay For Life raises funds for research and quality of life programs, and that is good for your bottom line. If cancer strikes your business, productivity lowers, future earnings are restricted, health insurance and disability costs rise and absenteeism increases. On average, one late detected cancer can cost more than \$65,000 per employee.
