

Swiss Community Historical Society Docent Application

Thank you for your interest in being a docent for the SCHS in the Bluffton/Pandora area of Ohio. Our volunteers are a major resource, and we are happy you are willing to share your time and talent with the Historical Society. SCHS docents lead tours sharing the stories of and information about the Christian and Barbara Schumacher family's homestead as well as the history of the Swiss Mennonite and Swiss Reformed communities. Tours include the farmhouse, out-buildings, the barn, and the garden. Wearing period costumes is part of the docent experience. Once your application has been received you can expect a phone call from a staff member to schedule an interview. You will be asked about your interest in the Society and your availability.

Date _____

Name _____

Address _____

Phone Number _____ Email _____

1. Have you had previous experience as a volunteer? Please explain your duties and responsibilities.
2. What life experiences and employment have you had that could be useful in working with the SCHS Museum and Cultural Center?
