

Your Sports & Fitness Place

New Hire Introductory Membership

BFR now offers a FREE, ONE MONTH membership to anyone newly hired by a Bluffton-area business. The hope is to encourage new workers to try out our facility and/or fitness programs, and be encouraged to be more active.

Assistance from the Human Resource staff of your company will be required to offer this program, however. Each company must register with BFR and provide a contact name for the business and an email address through which to communicate. Once this information is received, the contact person will receive, electronically, an information sheet and gift certificate format. Copies of each may be distributed to new hires throughout the year. The new hire will then turn in the gift certificate to BFR and begin their membership.

Please note:

- 1. The company contact must complete the gift certificate with the employee's name, effective date, company name, as well as sign the certificate.**
- 2. The effective date may be the actual hire date, or may be a later date if your business requires a probationary period before benefits apply.**
- 3. This offer is good for the employee only and is not transferable.**
- 4. The gift certificate must be redeemed within 30 days of the effective date.**
- 5. This offer includes full membership benefits including access to the BFR Fitness facility, indoor track and recreation areas, plus program discounts. Also included will be one, 30 minute appointment with a BFR staff trainer.**
- 6. The new hire special will be available retroactively to any employee hired after 1-1-2012- in this case, list the current date as the effective date.**

If you have any questions about this offer, do not hesitate to contact Carole Enneking, Director.
