Allen County Fair Grounds Located at 2750 Harding Hwy, Lima, Ohio 45804**

## **Fingerling Fish Sale**

Allen SWCD is conducting its annual sale of fingerling-sized fish for stocking ponds. Aside from fishing, stocking a pond is good management practice for ensuring a healthy food chain between plants, fish, and other aquatic life. We are offering eight species of fish this year. Details on each are provided on the back side of this form.

## **Fish Delivery**

**Those purchasing fish must bring their own containers filled with fresh pond water.** A five-gallon bucket will transport 100 fingerling fish, while a 20-gallon garbage can handle up to 10 white amurs. Each container must be lined with a clean garbage bag tied shut and injected with oxygen. This will ensure that the fish will be in good condition when released into the pond. Those purchasing fish should plan on transporting them directly to the pond without delay. **There are no refunds for unclaimed fish.**

**The deadline for ordering fish is Monday, March 31, 2025, at 4:30pm**

**Allen Soil and Water Conservation District**
