Hello to residents and businesses in Bluffton, Beaverdam, and Richland Township,

Your local United Way Board of Trustees thanks you very much for such wonderful support over the years. Your donations have benefited almost every man, woman, and child by mobilizing the caring power of our local communities to advance the common good. These local organizations consisting of your neighbors and mine, that benefit from your support, provide a wide variety of services to promote a better life for each of us. Will you continue to HELP by donating again (or for the first time) to the local United Way? THANK YOU.

DO YOU GIVE AT WORK? (Please follow these guidelines.)

To ensure your designated contribution reaches the **BLUFFTON, BEAVERDAM, AND RICHLAND TOWNSHIP UNITED WAY**, you must request a separate form from your employer. By inserting the full name of --- BLUFFTON, BEAVERDAM, AND RICHLAND TOWNSHIP UNITED WAY---, your contribution will be forwarded to the correct location. This enables the BLUFFTON, BEAVERDAM, AND RICHLAND TOWNSHIP UNITED WAY to distribute your donation to your local funded agencies.

Please keep this pledge form and take it with you to work and show this information to the appropriate contact at your employer. Request the paperwork which will designate your contribution back to Bluffton.

Sincerely,

Duane Bollenbacher
